

**WE ENERGY**

*μαζί, ανάβουμε  
το πράσινο φως!*

**WE ENERGY, member of EUNICE ENERGY GROUP (EEG)**, is the only alternative electricity Supplier that generates electricity **EXCLUSIVELY** from Renewable Energy Sources, providing the relevant official state and corporate certificates.

WE ENERGY addresses to:

- ✓ Companies interested in reducing their energy footprint
- ✓ Companies that are environmental sensitive and this is expressed through their brand identity improving their image towards their stakeholders, customers as well as competitors.
- ✓ Energy Communities for planning and developing environmental friendly activations
- ✓ People who are environmentally sensitive and are committed to contribute to the environment

Every company that chooses to become a consumer of green energy, is provided by WE ENERGY with official state and corporate certifications. In addition, every company acquires the right to apply the green sign of WE ENERGY to its products, stores, cars and all its communication actions.
